BA3352. OM : Mid-Course Evaluation

Please fill up this sheet and return it to my office — under the door is perfectly ok. Do not write your name or do not hand this to me.

1. How can the lecture be improved? More examples? More student-instructor interaction? Faster/Slower pace?

2. What do you not like about the lecture?

3. What is the biggest shortcoming of the instructor? Enthusiasm, clarity, organization, responsiveness?

4. What do you not like about TA's office hours, grading and response to your qustions?

5. Comment on lecture notes, HW and Exam problems. Too many or too few? Too hard or too easy? Too long or too ambiguous? Too confusing?
