EDUCATION:

Ph.D. Iowa State University, Fall 1998
Fields: Public Economics, Environmental Economics, Microeconomic Theory

M.B.A. University of Illinois at Chicago, June 1991
Fields: Finance, Economics, and International Business

B.B.A. Loyola University, December 1987
Fields: Production Management/Operations Research

EXPERIENCE:

University of Texas at Dallas, 2006 – Present

Position: Associate Professor.

Description: Teaching responsibilities include environmental economics, international trade, and game theory.

Clarkson University, 1999 – 2006

Position: Associate Professor. Promoted and granted tenure in the Spring of 2005.

Description: Teaching responsibilities include undergraduate micro and macroeconomic principles, environmental economics, game theory, and managerial economics at the MBA level.

Drake University, 1999

Position: Temporary Instructor.

Description: Taught undergraduate microeconomic principles.

Iowa State University, 1998 – 1999

Position: Temporary Instructor.

Description: Taught undergraduate microeconomic principles.

Institute of Defense Analyses, 1996 – 1998

Position: Research Analyst/Consultant.

Description: Examined various issues in cost allocation, especially with respect to telecommunications (Internet pricing theory, its application, and network design). Also investigated issues of deregulation and its impact on the Department of Defense and the defense industry.

Iowa State University, 1995 – 1997

Position: Teacher's Assistant.

Description: T.A. for Ph.D. level microeconomic theory sequence and econometrics. Other teaching assistantships included micro and macroeconomic principles.

Iowa State University, 1991 – 1995

Position: Research Assistant.

Description: Analyzed financial data of agricultural supply firms and developed a theoretical model of Integrated Crop Management service programs. Research also included surveying new developments in the theory of the household – household bargaining models and their empirical implementation – and studying the theory underlying national income and environmental accounting.

University of Illinois at Chicago, College of Business Administration, 1990 – 1991

Position: Teacher's Assistant, Minority Affairs.

Description: Economics and Business Math tutor.

Solo Cup Company, 1988 – 1990

Position: Supervisor.

Description: Supervised 18 employees in the production, printing, and packaging of styrofoam cups.

Triple-X Packaging Company, 1986 – 1988

Position: Plant Manager.

Description: Manager in charge of plant operations in a factory of 15-30 employees. Responsibilities included personnel, production and scheduling, purchasing, inventory control, and shipping and receiving.
