Curriculum
The Master of Science in Accounting degree program provides a tailored educational experience that encourages:

- A globally oriented, interdisciplinary focus.
- A balanced conceptual and pragmatic approach.
- Development of written and oral communication skills.
- Refinement of research and analytical skills that results in enhanced decision-making abilities.
- A commitment to lifelong learning.

The program prepares leaders to develop the professional skills identified by the Institute of Certified Public Accountants deemed essential for providing the core accounting services across various fields, including corporate accounting, assurance services, taxation, internal audit, government/nonprofit, and ERP/SAP systems. Upon completion of the program, students may be eligible to sit for the Uniform CPA Exam, provided they meet the requirements of each state’s board of public accountancy. For additional details visit jindal.utdallas.edu/accounting/ms-accounting.

Program Options
MS Accounting Flex allows students the flexibility to complete the program at their own pace and tailor their degree according to their career goals by selecting electives from various fields. Courses are offered in the daytime, evenings and online. Admission to the program occurs in fall, spring and summer semesters. MS Accounting Cohort is a two-year program in which students take all courses together as a cohort. Admission to the program occurs only in the fall semester.

Career Options
Graduates of the program seek positions in various fields such as: management accounting in public or private sectors, financial planner, financial analyst and other careers in taxation and external/internal auditing services. Upon completion of the MS in Accounting degree program, students may sit for the Uniform CPA Examination, provided they meet the requirements.

Degree Program
The MS in Accounting is a 36 semester credit hour program focused primarily on educating students in accounting while recognizing the need for a business foundation. For complete admission and degree requirements, view the Graduate Catalog at catalog.utdallas.edu.

The University of Texas at Dallas Naveen Jindal School of Management (JSOM) is the largest of UT Dallas’ eight schools, with an enrollment of about 9,100, more than half of whom are graduate students. The school provides outstanding tuition value, a wide variety of classes on campus and online, flexible scheduling and a convenient location. The Jindal School of Management keeps abreast of business needs as an essential component in providing students with rigorous training and relevant skills for professional success. Programs are offered at the undergraduate, MBA, master’s, PhD and executive levels. Programs are organized around six broad topics of business specialization:

- Accounting
- Finance and Managerial Economics
- Information Systems
- Marketing
- Operations Management
- Organizations, Strategy and International Management

A broad array of internship and scholarship opportunities is made available to Jindal School students each academic year. The school operates its own Career Management Center, which students may use in addition to the campus-wide UT Dallas Career Center. More than 50 student organizations are based in the school. Most of these focus on career development in specific fields and build networking, internship and employment opportunities. U.S. News & World Report (2019) ranks the school’s Full-Time MBA program at No. 40 (tied) in the nation and tied for No. 19 among public university programs in the United States. In the same ranking, the publication places the Professional (Part-Time) MBA at No. 20 in the nation.

Faculty
The Jindal School offers a variety of degree options at the undergraduate, graduate, master’s and PhD levels. The school’s relevant, rigorous curriculums were developed by exemplary teachers and leading researchers. The outstanding faculty members bring a wealth of intellectual capital, and they often come because UT Dallas enthusiastically encourages and supports scholarly inquiry and innovative teaching. New discoveries, along with faculty members’ expertise, inform the academic programs at every level.

**Location**

The Jindal School benefits from its location in the Dallas-Fort Worth area, a center of industry and trade that places a high value on ingenuity and entrepreneurship. *Foreign Policy* magazine named Dallas one of only five U.S. cities in the top 25 in its projection of the “most dynamic cities in the world in 2025.”
