Curriculum
Healthcare is a challenging, rapidly growing industry that employs one of every 10 working adults nationally and is responsible for more than 15 percent of annual employment growth in Texas. The Master of Science in Healthcare Leadership and Management degree program prepares industry leaders with a solid foundation in business analysis and decision-making, a thorough exposure to real-world healthcare management and rewarding professional development opportunities.

UT Dallas’ Naveen Jindal School of Management’s nationally recognized business faculty, together with a select group of highly experienced healthcare industry executives, prepare healthcare leadership and management MS graduates to assume increasingly responsible management and leadership roles in a wide range of healthcare settings.

Career Options
Graduates of the program seek positions such as: management and leadership roles in a wide range of rapidly growing health-related organizations, including health and hospital systems, service-provider organizations, insurers and managed-care companies, consulting firms, pharmaceutical companies, public health organizations and medical device and biotechnology firms.

Degree Program
The MS in Finance requires the completion of a minimum of 36 semester credit hours. University deadlines apply for the MS Finance Flex program. For the MS Finance Cohort, applications are due April 30 for international applicants and May 31 for domestic applicants.

The MS in Healthcare Leadership and Management requires the completion of a minimum of 36 semester credit hours. For complete admission and degree requirements, view the Graduate Catalog at catalog.utdallas.edu.
The University of Texas at Dallas Naveen Jindal School of Management (JSOM) is the largest of UT Dallas’ eight schools, with an enrollment of about 9,100, more than half of whom are graduate students. The school provides outstanding tuition value, a wide variety of classes on campus and online, flexible scheduling and a convenient location. The Jindal School of Management keeps abreast of business needs as an essential component in providing students with rigorous training and relevant skills for professional success. Programs are offered at the undergraduate, MBA, master’s, PhD and executive levels. Programs are organized around six broad topics of business specialization:

- Accounting
- Finance and Managerial Economics
- Information Systems
- Marketing
- Operations Management
- Organizations, Strategy and International Management

A broad array of internship and scholarship opportunities is made available to Jindal School students each academic year. The school operates its own Career Management Center, which students may use in addition to the campus-wide UT Dallas Career Center. More than 50 student organizations are based in the school. Most of these focus on career development in specific fields and build networking, internship and employment opportunities. U.S. News & World Report (2019) ranks the school’s Full-Time MBA program at No. 40 (tied) in the nation and tied for No. 19 among public university programs in the United States. In the same ranking, the publication places the Professional (Part-Time) MBA at No. 20 in the nation.

Faculty

The Jindal School offers a variety of degree options at the undergraduate, graduate, master’s and PhD levels. The school’s relevant, rigorous curriculums were developed by exemplary teachers and leading researchers. The outstanding faculty members bring a wealth of intellectual capital, and they often come because UT Dallas enthusiastically encourages and supports scholarly inquiry and innovative teaching. New discoveries, along with faculty members’ expertise, inform the academic programs at every level.

Location

The Jindal School benefits from its location in the Dallas-Fort Worth area, a center of industry and trade that places a high value on ingenuity and entrepreneurship. Foreign Policy magazine named Dallas one of only five U.S. cities in the top 25 in its projection of the “most dynamic cities in the world in 2025.”
