

SKYWARN

SKYWARN® TRAINING

WHEN

September 21, 2016
8:30 am – 10:30 am (Beginner)
10:30 am – 12:30 pm (Advanced)

WHERE

School of Management 1.118

WHAT

SKYWARN® is a volunteer program with nearly 290,000 trained severe weather spotters. These volunteers help keep their local communities safe by providing timely and accurate reports of severe weather to the National Weather Service. Although SKYWARN® spotters provide essential information for all types of weather hazards, the main responsibility of a SKYWARN® spotter is to identify and describe severe local storms.

TRAINING IS FREE

RSVP Required:
emergencymangement@utdallas.edu

All visitors **MUST** have a visitors parking permit

YOU'LL LEARN:

- Basics of thunderstorm development
- Fundamentals of storm structure
- Identifying potential severe weather features
- Information to report
- How to report information
- Basic severe weather safety
