BENEFITS
Due to the end of fiscal year processing, we are asking for your help in getting all outstanding absence events entered and approved into the system. Please work with your employees and managers to facilitate this task as soon as possible.

Employees with excess vacation balances should work with their supervisors/managers in scheduling vacation as their work permits.

This enable an accurate carryover process of converting unused vacation to sick leave by August 30, 2019 as well as accurate year-end vacation liability reporting to the State of Texas.

All FY 2019 (9/1/2018 – 8/31/2019) time must be approved by COB Friday, August 30, 2019. If not, we will assume that all entered time, whether in a “Saved” or “Submitted” status, is valid and approved. If no actions are taken, HR must take necessary actions to close the year.
Reminder – Vacation Carry Over

Unused annual leave carries forward into the next fiscal year. Annual leave hours in excess of the set limits at the end of the fiscal year (August 31) transfer to the employee’s sick leave balance. Regular employees who work less than forty (40) hours per week carry unused annual leave hours forward in proportion to their appointment.
